1st ENOR Symposium

Oxysterols and Related Sterols in Chemistry, Biology & Medicine

Rome 22- 24 September, 2011

Organizers

Luigi Iuliano (Italy) & Gerard Lizard (France)

September 22, 18:00. Opening Ceremony

L. Frati (Provost, Sapienza University of Rome)

E. Gaudio (Dean, Faculty of Pharmacy and Medicine, Rome)

M. Maroder (Head, Department of Medical Sciences and Biotechnology, Latina)

Lecture by **Ingemar Björkhem (Sweden)**

"Five Decades of Oxysterols"

September 23, 8:30 – 13:00 Session 1: Chemistry of Oxysterols

Synthesis and Analysis of Oxysterols and Oxyphytosterols

Ulf Diczfalusy (Sweden); William J. Griffiths (UK); Dieter Lütjohann (Germany);

Marc Poirot (France); Maria Rodriguez Estrada (Italy); Jacob Vaya (Israel)

September 23, 14:00 – 18:00. Session 2: Biology of Oxysterols

Cellular effects of Oxysterols and Related Compounds

Hervè Guillou (France); Gerard Lizard (France); John Mackrill (Ireland); Steve Meaney (Ireland);

Vesa Olkkonen (Finland); Giuseppe Poli (Italy)

September 24, 8:30 – 13:00. Session 3, Oxysterols in Medicine

Oxysterols in Cardiovascular and Metabolic Diseases, Neurodegenerative Diseases, and Cancer

Lionel Bretillon (France); Antonio Carbone (Italy); Luigi Iuliano (Italy); Valerio Leoni (Italy);

Scientific Committee

Lionel Bretillon (France); Antonio Carbone (Italy); Ulf Diczfalusy (Sweden); William J. Griffiths (UK); Hervè Guillou (France); Luigi Iuliano (Italy); Valerio Leoni (Italy); Gerard Lizard (France); Jean-Marc Lobaccaro (France); Dieter Lütjohann (Germany); John Mackrill (Ireland); Steve Meaney (Ireland); Vesa Olkkonen (Finland); Marc Poirot (France); Giuseppe Poli (Italy); Maria Rodriguez Estrada (Italy); Jacob Vaya (Israel); Oliver Weingartner (Germany)
